Follow in the footsteps of Mary Magdalene and reconnect with her ancient wisdom.

In this transformative 2 1/2-day workshop you will discover a new and exciting way of using flower essences and essential oils with a focus on their energetic and vibrational qualities and their use for, impact on and relevant therapeutic significance for the physical, emotional, mental and spiritual levels of being.

- Discover and use the Magdalene infused flower Essence system from the South of France
- Learn how to use the vibrational code and information of essential oils for healing and spiritual practice
- Enjoy the healing gift from beautiful Flower Essence Mandalas
- Experience Chakra clearing and balancing using essential oils and flower essences
- Connect with the spirit and intelligence of Nature for cooperative healing
- Activate your soul memory to bring past healing knowledge into the present

This workshop is not only educational and applicable for any healing practice, but also an opportunity for your personal healing, transformation and growth.

Cost: \$387
(includes a kit of 10 essential oils valued at \$97)

Early bird discount \$357
